Phone: 718-960-8871

Email: brian.wynne@lehman.cuny.edu

Website: <https://www.lehman.edu/mathematics/calculus.php>

Homework is an essential part of the course; there will be an assignment due almost every week. Going over my comments on your homework will help you to prepare for the exams. To earn full credit for a homework assignment, you must do each of the following:

- Hand-in a paper copy by the due date (email submissions will not be accepted).
- Make it easily readable.
- Complete every assigned problem.
- Show all work, i.e. show how you got your answers.

The overall course grade will be based on the following.

- Homework (20%)
- First Exam (25%): Thursday, October 17.
- Second Exam (25%): Thursday, November 21.
- Final Exam (30%): Tuesday, December 17, from 11 AM to 1 PM.

There will be no extra credit opportunities.
