E-Permit

Student Instructions

E-Permit facilitates the process of CUNY students obtaining permission to register for courses offered at other CUNY colleges. This process will arrange for your request to be reviewed by the appropriate department for approval and processing.

An ePermit does not automatically register a student for a course, nor does issuance of an ePermit guarantee enrollment at the HOST College.

To access E-Permit, you must have an active CUNYfirst account.

How to initiate an ePermit in CUNYfirst (Graduate)

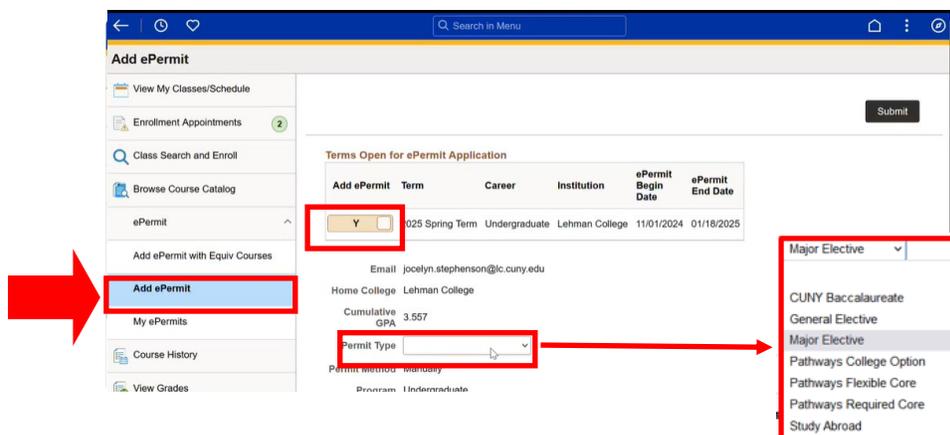

1. Log onto [CUNYfirst](#) and from your **CUNYfirst Home** Page, click on the “**Course Planning & Enrollment**” tile

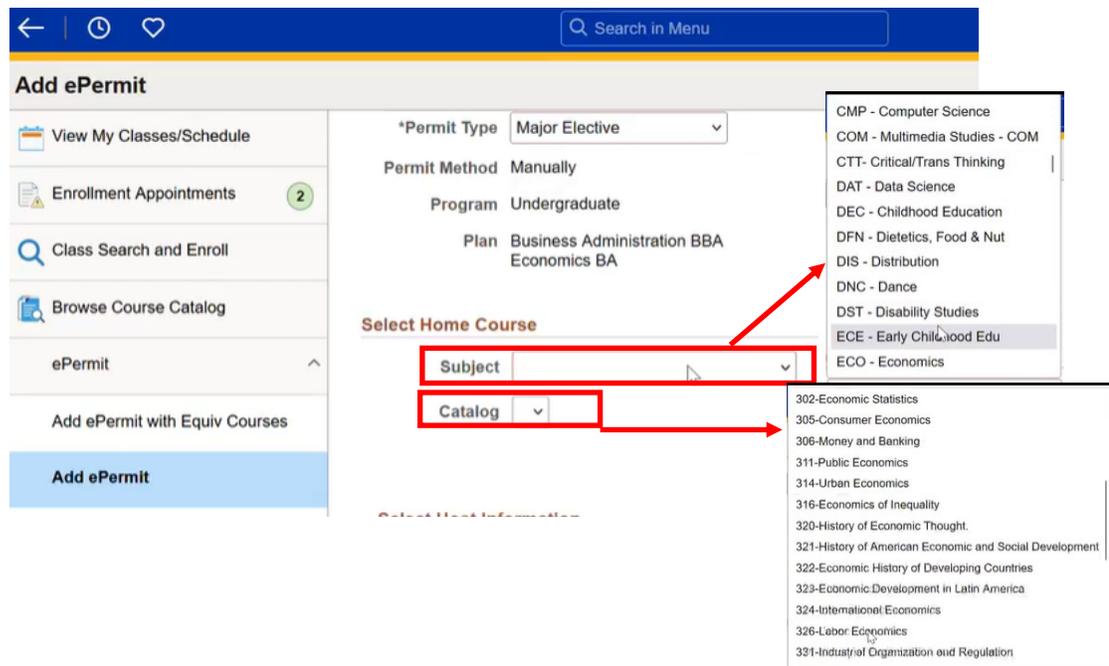

2. Click on the “**Browse Course Catalog**” and select “**ePermit**”

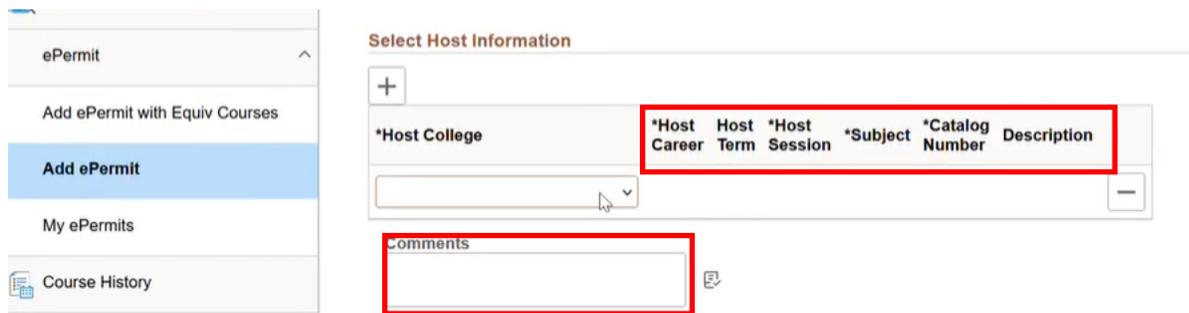

3. Graduate students are recommended to use the “**Add ePermit**” in the left-hand navigation. Click on slide bar under “**Add ePermit**”, then “**Permit Type**” (Major or General Elective).

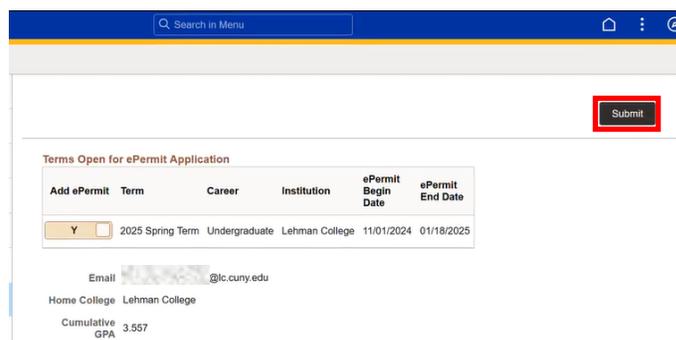

4. Under the “**Select Home Course**” section, enter the desired Lehman subject and catalog course that you want to take on permit in the fields provided.

5. After selecting the **Home Course**, select the **Host College**, followed by the **Host Career**, **Host Term**, **Host Session**, **Catalog Number** and **Comments**, if applicable.

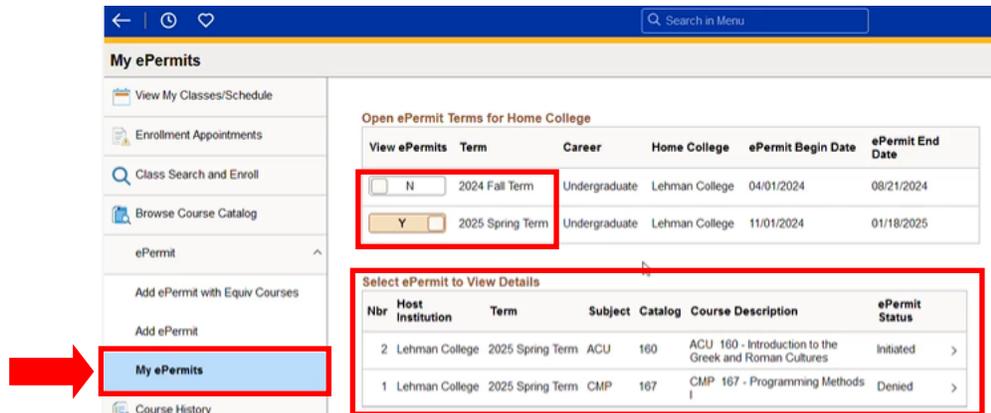

6. After entering and completing all required fields, click the “**Submit**” button. A dialog box will appear, confirming your submission is successful. To check the status of your ePermit request, continue onto page 12.

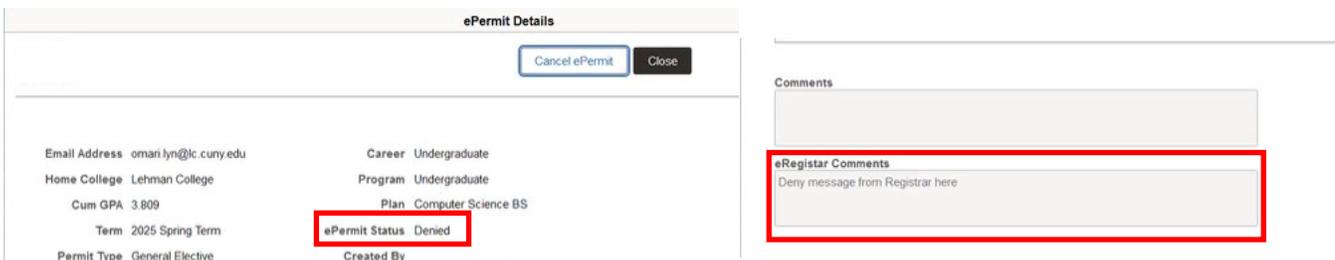

How can I check the status of my submitted ePermit?

Once submitted, the status of the ePermit can be checked through CUNYfirst at any time by clicking the “My ePermit” functionality

1. Select “My ePermit” in the left hand navigation, then click on the slide bar of the term
2. Once the semester and the institution are selected, all the requests that have been made will appear on the page. Select the ePermit request that you wish to check the status by clicking the arrow near the ePermit status

3. The “ePermit Status” will show the current status of your request. If your request is “Approved”, this signifies that your ePermit request has been completely approved by Lehman College. If your request is “Denied”, the reason will a comment will be in the “eRegistrar Comments”

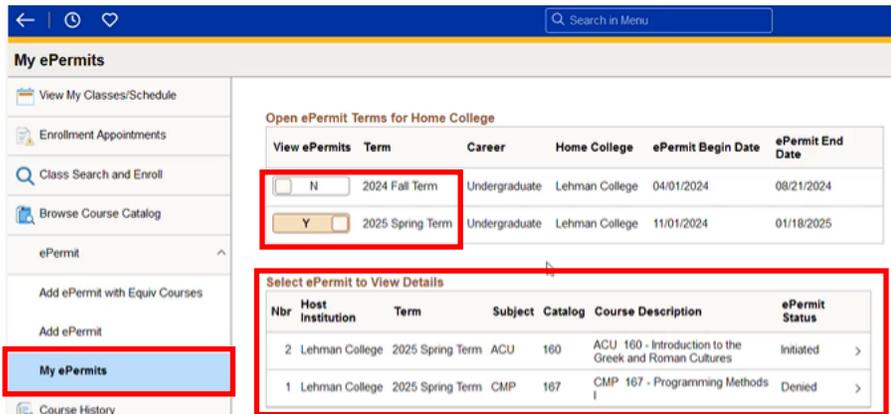

NOTE: Undergraduate students have 2 levels of approvals, while graduate students have 3 levels of approval.

DISCLAIMER: Approval of your ePermit request does not automatically enroll you into the course. You must still enroll into the course through CUNYfirst once the host institution has processed your request.

How to cancel an ePermit request?

1. Go to the "My ePermits" in the left navigation, then click on the slide bar of the appropriate term

2. Select the request which you would like to cancel
3. Click on the "Cancel" button located on the top right corner of the ePermit form

4. Once the ePermit has been cancelled on CUNYfirst, ensure the course at the HOST College has been dropped on CUNYfirst prior to the first day of classes to avoid tuition liability

NOTE: ePermit cancellations take 1-3 business days to process completely.

DISCLAIMER: ePermit requests may be cancelled up to the 3rd week of classes. If a student enrolls in a course at the selected HOST college and decides not to attend the course, it is the student's responsibility to cancel the course registration at the HOST campus, and cancel the ePermit request through CUNYfirst.
