

# MIDDLE AND HIGH SCHOOL EDUCATION CLUB

LET'S  
NETWORK

## MISSION

The Middle & High School Education club is a student guided club whose purpose is to help students to gain knowledge, and network among themselves, faculty, and practitioners. The MHSE club is committed to supporting current and future middle & high school education students from minors, master's programs and more. The purpose of this club is to equip you with the networking, mindfulness, and academic tools you need to be successful in secondary education settings
