The image shows a mobile application login screen for Lehman 360. At the top, the logo features the word "LEHMAN" in blue and "360" in green, next to a circular refresh icon. Below the logo, an information icon is followed by the text "Log in using your **Lehman Account** username and password." The login form consists of two input fields: the first is labeled "firstname.lastname" and the second is labeled "Password" with a lock icon. A blue "LOG IN" button is positioned below the password field. Below the form, a green banner states "Lehman 360 includes **Lehman One Access!**". Underneath, a blue link asks "Need Help Logging in?". The screen also includes instructions for "First Time User" (to click here to register) and "Existing User" (to select an option from a dropdown menu).
