Creating a Dropbox Account on the iPad

You must create a Dropbox account in order to transfer any photo(s) taken, documents, etc. created on the iPad.

Open the Dropbox app > Select New to Dropbox? Create a free account

> Fill out the information > Click Create Free Account

Logging In to Dropbox: Tap on the Dropbox icon to launch the app > Enter Email and Password > Click Log In to Dropbox

Unlinking the account the iPad: Launch the Dropbox app > Settings > Unlink iPod from Dropbox

Retrieving content saved in Dropbox: Go to <u>www.dropbox.com</u> > Click Sign In > View/Download your files.
