Dear Dr. Burt and Dr. Samuel:

Thank you for your application for the Meals on Wings Expansion Seed Grant. This letter serves as formal notification that you have been awarded the grant. The grant will provide your site \$25,000 per year x 2 years for a total award of \$50,000. We look forward to work with you to expand the food recovery-meal delivery program to Lehman College.

Sincerely,

A handwritten signature in cursive script that reads 'Lauri Wright'.
