## Bronx Business Tech Incubator

---

May 2020 | Issue 1

The **Bronx Business Tech Incubator (BBTI)** along with the **Small Business Development Center (SBDC)** at Lehman College work intensely to support businesses in the county of the Bronx especially during unpredictable situations such as the one we are going through with COVID-19.

The mission of BBTI is to help startup companies and entrepreneurs to build successful companies, which in turn creates more job opportunities and drives new innovation and technology development in the Bronx.

The mission of SBDC is to provide customized solutions through advisement, education, research and advocacy for Entrepreneurs, Innovators and the Small & Medium Enterprise community.
