E. Scholarships to Computer Information Systems majors

Scholarships for A+ technician and Certified Networking Academy were offered to 21 students during summer, fall 2017 and spring 2018. The selection and evaluation was based on CIS major students' Number of Credits and GPA within the required courses. Below listed students were invited to receive the scholarship.

Number one criterion was that the selected students should have completed the course and to take and pass the certification.
All 21 students have been notified and confirmed their interest in the course.

1st and second cohorts in CIP120 and CIP225 were concluded in fall 2017. All students passed the class except Jackeline Rosero (she dropped due to family issue). Please refer to the (Appendix O) for reference to the completion letters and registration receipts.
