Dear Lehman Research Community (Faculty and Staff):

CUNY has provided guidance on research continuity across our 25 colleges. Please click on this [link](#) for more information. For additional information or clarification, please contact the Lehman Office of Research and Sponsored Programs at [brandon.begarly@lehman.cuny.edu](mailto:brandon.begarly@lehman.cuny.edu).

For additional information on use of human subjects, please contact our campus HRPP Coordinator, Lisa Peralta, at [lisa.peralta@lehman.cuny.edu](mailto:lisa.peralta@lehman.cuny.edu). PIs should notify her also of any changes in research procedures and submit all HRPP/IRB modifications via [IDEATE](#). For PIs submitting new protocols, data collection protocols should be for remote data collection only. Protocols may also include in-person data collection for some future time, when guidance for remote collection is removed CUNY-wide.

Please continue to stay safe and take care of yourself.
