In Memoriam: Marilyn DeCastro

Dear Lehman Community-

It is with great sadness that we share news of the passing of Marilyn DeCastro, a Graduation Specialist in the Office of the Registrar, on December 13, 2022. Marilyn's career at CUNY spanned over 30 years, working in the Office of the Registrar at both Baruch and Lehman College. Her commanding presence, charm, and sense of humor made a lasting impression on all those fortunate enough to work with her.

Marilyn's most recent service to the college was as a Graduation Specialist. She worked with faculty, students, and staff to ensure degree requirements were met and degrees granted on time. It is estimated that she audited and graduated close to 10,000 students during her time at the college. She found great joy and fulfillment in her work and in advancing Lehman college's mission of being a catalyst for socioeconomic advancement in the Bronx.

Marilyn's impact on the Office of the Registrar and the college community are cemented. She will be deeply missed by all who worked with her.

Additional information about memorial arrangements will be shared as they are made available.

Thank you.
