### Coursedog

Lehman is live with Coursedog! All course scheduling for future terms will be done on this new, integrated platform. The Registrar Schedulers will be available to support the departments' transition to Coursedog, including training sessions and individual assistance for departments. You can access the scheduling guide by clicking on the link below:

[Coursedog Functional Guide - Department Schedulers](#)

**To log into Coursedog**, click on the link below and use your CUNYfirst credentials (this is the live environment!):
